Ways to Get on Base and Advance Baserunners

Abbrev	Meaning	Example
1B	Single	Batter is safe on first with a hit
2B	Double	Batter is safe on second with a hit
3B	Triple	Batter is safe on third with a hit
HR	Home run	Can also be a grand slam with 4 RBIs
GRD	Ground Rule Double	Ball bounces over outfield wall, batter given second base
BB	Base on balls	Batter is walked
HP or HBP	Hit by pitch	Batter is given first base due to being hit by a pitch
FC	Fielder's choice	Batter gets on base, but another runner is out – could have been the batter being out (but the fielder "chose" to make another out)
E #	Error	Fielder makes an error so batter gets on base (E3 = error made by first base)
IBB	Intentional base on balls	Batter is walked intentionally
CI	Catcher interference	Catcher's mitt interferes with bat swing, batter given first base
K E2	Dropped 3rd strike, runner safe at first	Third strike pitch, but the catcher drops it. In Majors, batter can run to base if 1) 1st base is unoccupied, or 2) 1st base is occupied and there are 2 outs
#	Runner advanced by batter	Record jersey number of batter on base path for the base runner in the scorebook
SB	Stolen base	Legitimate stolen base (not WP or PB or error)
WP	Wild pitch	Pitcher's fault – catcher would have difficulties catching the ball, so a runner successfully gets to next base during another's at bat
PB	Passed ball	Catcher's fualt – pitch was thrown so catcher should have caught the ball, but missed, so a runner successfully gets to next base during another's at bat
BK	Balk	Pitcher makes illegal motion after coming to a set with a runner on base

Ways to Get Out

Standard scoring when multiple players make an out working together:
Place the position numbers of those who helped make the out in the sequence that the out was made (i.e., 9-6-3 = right fielder throws to shortstop who throws to 1st base player who gets the out).

| Abbrev	Meaning	Example
K	Strikeout swinging	Strike three was a swing and a miss
Ʞ	Strikeout looking	Strike three was a called strike by the umpire
L #	Line drive	L6 = line drive out catch made by shortstop
F #	Fly	F8 = fly out catch made by center field
# U	Unassisted	3U = first base was the only player who touched the ball and made the out at first
#'s DP	Double play	6-4-3 DP = short to 2nd to 1st
#'s TP	Triple play	5-4-3 TP = 3rd to 2nd to 1st
CS	Caught stealing	Base runner tagged out while stealing
SAC	Sacrifice	Additional notation if out led to advancing a base runner

SUBSTITUTIONS/RE-ENTRY

- All changes will be reported directly to the plate umpire. <u>Do not</u> receive changes directly from manager. The plate umpire will record the changes and then announce those changes to the scorekeeper and opposing manager.

1	12	Lee Roth	3
	15	Michael Macdonald	4
2	5	Micheal Kai	6
3	6	Bella Smith	2

When Lee Roth reenters the game, Lee must enter the #1 batting spot.

Lee may reenter the game in any legal defensive position (i.e. could reenter as 2nd baseman, shortstop, etc.).

All players are "married" to their batting order, once entered onto that spot in the line-up, may not be put in another place in the batting order.

Note: Unless there are injuries with no substitutes available.

SUBSTITUTIONS/RE-ENTRY

- A substitute entering the game for the 1st time may not be removed prior to meeting their mandatory play requirement.
- Once a player enters offensively for the first time, they must complete that offensive play (no substitute runners/special pitch runners)

- Defensive substitutions must be made while the team is on defense.
- Offensive substitutions must be made at the time the offensive player who is entering/re-entering comes up to bat or replaces a runner on base.

If bench player bats without announcement and is a legal substitution, assume substitution and update book accordingly.
If illegal substitution (different than batting out of order), then contact umpire.

SUBSTITUTIONS/RE-ENTRY

- A starter and his/her substitute must not be in the lineup at the same time, except as provided in Rule 10-a (illness or injury).

- Senior Division Only: Starters removed for a substitute may re-enter the game ONCE, in the same batting position they had at the start of the game. A substitute (non-starter) may not re-enter the game in any position once that player is removed from the line-up.

- Senior Division Only: The Designated Hitter rule will apply. (See rule 3.03)

Little League

Offensive Visits
- 1 Per inning

Defensive Visits
  8-9-10 Division
  - 3rd visit in inning, replace pitcher
  - 4th visit per game, replace pitcher

  All Other Divisions
  - 2nd visit in inning, replace pitcher
  - 3rd visit per game, replace pitcher

If defensive manager makes changes without talking to any defensive players, this will not count as a "visit".

When one team has been granted a "timeout" the opposing manager may confer with his/her team, provided they do not delay the game in any way.

NOTE: Intermediate and above, since pitchers can be moved defensively and come back as a pitcher,
Important to track all visits for that pitcher through the game.

DEFENSIVE VISITS

Any visit (except injury) on defense is a "trip to the mound". If manager calls time, talks to right fielder, that counts as a trip for that inning and for that pitcher. Can log trips:

With the inning, by putting in Pitcher Number and circle it.

#	Player	Pos	1	2	3	4	5	6	7	8	9	10

At the bottom, by putting in Pitcher Number and circle it.

SCORING BATTING OUT OF TURN

Scorekeeper may not alert anyone of out of order unless it prevents mandatory play from happening.

1. Batter "Sam" bats when "Palmer" should be up. If fixed while Sam is batting, Palmer takes Sam's place with the count Sam incurred.

2. Batter "Sam" bats when "Palmer" should be up. Team protests after Sam completes at bat but **before** next pitch is thrown:
   Palmer is out and Sam is removed from base.
   Any players advanced on ball batted in play, are put back to spot of last pitch.
   Next batter after Palmer is proper batter, which might be Sam.

3. Batter "Sam" bats when "Palmer" should be up. Team protests after Sam completes at bat *and after* next pitch is thrown (or no protest):
   Batter **after** Sam is proper batter.
   This might skip people in the lineup.
